International Ozone Day

[한겨레]

» International Ozone Day.

On International Ozone Day, designated by the United Nations as September 16, children enjoy a picnic at the Hangang Riverside Park, Guri, Gyeonggi Province, amid a field of cosmos flowers.

In recognition of the day, there are many other celebrations around Seoul. The Korean Federation for Environmental Movement held a sculpture exhibition in Daehangno and the Gangnam district office will hold a poster exhibition at the Seoul Metropolitan Government's Global Village Center in the Yeoksam neighborhood from September 17 to 26.
