## THEMES/SECTORS<sup>2</sup>

### Waste management

	- Promotion of 3R approach; -National waste management plans; -Extended producer responsibility; -Charge on waste generation; -Deposit refund system;	-Strengthen human and institutional capacity on sound management of waste; -Dissemination of knowledge and technology in environmentally sound management of waste; - Awareness-raising	-Governments; -UNEP; -UNESCAP; Consumers	-Number of integrated waste management plans in place at both local and national level; Successful 3R initiatives; Waste for energy and composting (sustainable agriculture)	All governance levels in Asia Pacific region
--	---	---	---	--	--

### Transport

	-Sustainable transport plans; -Congestion	Awareness-raising on sustainable transport choices and habits;	-Governments -Local Governments	- Improvement in fuel efficiency;	Asia Pacific
--	--	--	------------------------------------	-----------------------------------	--------------

<sup>2</sup> The programmes identified under "Themes/Sectors" should to the extent possible be using the life-cycle perspective. Though all programmes may not address every step of the Life Cycle perspective, it is important to assess the programmes with these steps in mind to facilitate a more systemic approach to SCP patterns.

	<ul style="list-style-type: none"> <li>charge;</li> <li>-User fees;</li> <li>-Vehicle/fuel tax;</li> <li>-Subsidies on green fuel/public transport;</li> <li>-Vehicle inspection;</li> <li>-Climate change action plans;</li> </ul>	<ul style="list-style-type: none"> <li>• Disseminate best practices</li> </ul>	and communities; Rural communities	-Switch to cleaner fuels; Energy efficiency of buildings	
--	---	--	---------------------------------------	---	--

<b>Sustainable energy</b>
---------------------------

	-Enabling policy framework that improves access to reliable and affordable energy;	-Develop human and financial capacity for take up of renewables; -Support development of rural organisations, community-driven cooperatives to enhance investments in renewable	Governments; Financial institutions; -Local Governments; - Urban Governments	Total generation capacity from renewable energy sources	Asia Pacific
--	--	--	---	---	--------------

<b>Sustainable agriculture</b>
--------------------------------

	-Enabling policy framework to encourage sustainable agriculture	-Organic agriculture certification programmes -Capacity building; - R&D and innovation; Financial and economic incentives	Governments; Financial institutions; -Local Governments; - Urban Governments	Total generation capacity from renewable energy sources	Asia Pacific
--	---	--	---	---	--------------
